## Notes

- These results are a "work in progress" compiled from:
  - Stanley L. Degeer's excellent book "Race to the Clouds 1916-2001 The Pikes Peak Challenge".
  - Results compiled per year since 2000 by The Pikes Peak Hill Climb organization.
  - Motorcycle results (missing from Stan's book), collected and transcribed by Lisa Haight and Don Sanborn.
  - Historical USAC data from [www.UltimateRacingHistory.com](http://www.UltimateRacingHistory.com).
  - With much editing and cleanup by the "Over the Hill Gang" (The Pikes Peak Hill Climb Historical Association).
- Items we are still working on include:
  - Adding missing car/bike numbers and/or make throughout.
  - Identifying "Rookie of the Year" if we can find records for that award.
- If you find errors or omissions, please email them to Don Sanborn at [dsanborn@unigsol.com](mailto:dsanborn@unigsol.com).
